

SONIC MAXX 810

wireless portable party speaker

hellomusic

Portable yet powerful party speaker with light system

Sonic Maxx 810 is the younger brother of the range with amazing sound considering the portable size. The large integrated subwoofer provides class-leading bass and the highest quality audio. The integrated LED multi-colour party light system, water-resistance and built-in rechargeable battery allows the versatility of all Sonic Maxx speakers to be used outdoors. The twin pack adds one more wireless speaker using "True Wireless link" technology for huge stereo sound.
